LR 335

are phony, they are hypocritical, they are playing politics, and they ought to just leave the Attorney General alone and stop telling him how to do his job if we are not going to do ours. Now, the question I am going to ask Senator DeCamp, Senator DeCamp, are you going to work with others to draft a petition or a resolution of impeachment directed at the Attorney General and the Secretary of State for failure to do their duty?

SENATOR DECAMP: Senator Chambers, that is a premature question. I have, for the last couple of years, written back and forth to the Attorney General, I would guess, 20 to 50 times on this issue, forcing the issue, trying to get enforcement. If I am not able to get enforcement I will do precisely that.

SENATOR CHAMBERS: All right, and if he does enforce, that does not change the fact that he had not during all that time. Correct?

SENATOR DECAMP: It depends upon his interpretation, and Initiative 300 is a vague, ambiguous, confusing thing.

SENATOR CHAMBERS: Thank you. Members of the Legislature, can you see what we are into?

SPEAKER NICHOL: Time. Mr. Clerk, do you have anything to put in?

CLERK: Mr. President, your Enrolling Clerk presented to the Governor bills read on Final Reading this morning. (Re: LB 471, 595, 599 and 621.)

Your Committee on Enrollment and Review reports 779 to Select File, 780 to Select File, 864 Select File, and 904 to Select File, and 922 and 871 to Select File. Those signed by Senator Hall as Enrollment and Review Chair. (See pages 725-27 of the Legislative Journal.)

Your Committee on Government reports 885 to General File with Committee amendments attached. (See pages 727-30 of the Legislative Journal.)

Mr. President, Senator Hoagland would move to place LB 524 on General File pursuant to Rule 3, Section 19. That will be laid over.
